### **Comments from previous students:**

**Hey Starr,**

I just wanted to thank you for the pictures and an awesome weekend. I had a blast, and I know everyone else did as well. Its safe to say I'm absolutely HOOKED-- mom and I have already picked out the rods we want for our birthdays. Getting the one-on-one time on the last day was incredible, and so was the chase down the river. Again thank you so much, it was a very inspirational experience that I wont soon forget. \_\_\_\_\_Hadley Northen

**Hi Reel Girls,**

Just a note to tell you all how wonderful it was to spend time with you at "fishing camp." Thanks for all who shared their time, spirit--and pictures! ... I'm looking forward to more trips in the future. Starr, you pulled together a fabulous experience and I want to thank you and Trish for all the work put into it. We all know it was considerable. I learned so much. Lake Logan was a perfect spot and I, for one, want to return to the "honey hole" up around the bend! I keep hearing Sara's voice going "whoo hoo!"

Best to all,  
Mary Alice (Monroe)

**Dear Starr & Trish & all the other wonderful guides @ Brookside,**

Thank you all for a very special experience. Forgive my giggles & rap music.....just know that the time spent with all of you was the most healing experience for me. I was able to put aside a tragic loss and experience the joy of nature and the wonderful energy of women together with a common goal.

I look forward to the next opportunity to stand in a clear stream and watch fish smile at my fishing attempts!!

Love to all,                      Paula
